

APHASIA RESEARCH

A study is available for persons with aphasia

The Shirley Ryan AbilityLab is conducting a research study that will help us understand how to better schedule speech and language therapy.

If you should qualify, you will receive 10 hours of speech and language therapy.

Therapy will be scheduled for either:

a) two weeks (1 hour a day, 5 days a week)

or

b) five weeks (1 hour a day, 2 days a week).

For more information, please contact the Center for Aphasia Research and Treatment at 312-238-6163 or e-mail Sam Engel at sengel@sralab.org.

IRB Project #: STU00209618

Principal Investigator: Leora Cherney, PhD

The Shirley Ryan AbilityLab is an academic affiliate of Northwestern University Feinberg School of Medicine

Date Posted:

Participants must meet the following criteria:

- Diagnosis of aphasia from a single stroke
- More than 6 months since stroke onset
- At least 18 years old
- English-speaking before the stroke

Participants will receive compensation.
